DETAILED ACTION

1. Claims 1-6 are pending in the application.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Claims 1-6 are allowed since the instant compounds of formula (1) and pharmaceutical compositions containing these compounds are neither disclosed nor obvious over the prior art. In the prior art, Bailey (WO 02/068393, cited on applicants form 1449) discloses Phenylalanine enamide derivatives which are closely related to instant compounds. However, most closely related compound disclosed by Bailey differs from the instant compounds in having a different R1 group and furthermore, there is no teaching, suggestion or motivation in the prior art to modify compounds of Bailey to prepare the instant compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
